

Master Dressage

Starting soon

Please grab yourself a pen
and pad. You will need it!

Once the webinar begins if you can't hear any audio click on the phone icon to join, if you can't get the software to work, I am recording this for you to see later

Master Dressage

- Introduction
- Whats coming up
- The Memory System
- A Bit of fun
- Q & A

If you can't hear any audio click on the phone icon to join, if you can't get the software to work, I am recording this for you to see later

Master Dressage

How to get the most out of this

- Grab a pad and pen
- Take part and use the chat window
- Take notes
- I will also make the slides available.
- Use your imagination and let it run wild
- Suspend scepticism - your achievements match your expectations!

If you can't hear any audio click on the phone icon to join, if you can't get the software to work, I am recording this for you to see later

Memory Systems

- Pneumonic Systems (ROYGBIV)
- Peg systems
- Memory Palaces

If you can't hear any audio click on the phone icon to join, if you can't get the software to work, I am recording this for you to see later
